

CONCEPT

We will work with you to gather as much information and detail to bring your concept or idea to life.

SKETCH

Our design team will create a detailed sketch or drawing of your concept.

SAMPLE

The initial sample is produced and sent to the customer for review and feedback.

ARTWORK

Hangtags and labelling of each item will be included upon review of customer.

REVISIONS

If necessary, any revisions or changes to the initial sample are submitted and processed to create an improved sample.

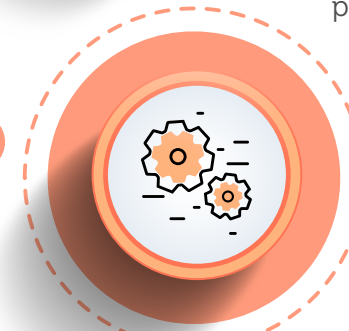

DELIVERY

After production is completed, the final product is delivered to the customer about 30 days after completion of production.

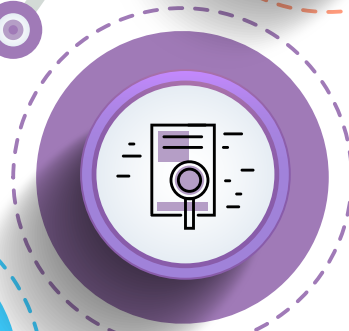

PRODUCTION

Once the final sample is approved, production begins and is normally completed in 60-70 days.

FINAL SAMPLE

A final sample is sent to the customer for approval and sign off for production to start.
